Become a Music Circle patron and enable Melbourne Recital Centre to fulfil its promise as *the* place for quality music and music making in Australia. Have a direct impact on the vitality and depth of the Centre's artistic, education and outreach programs, enabling us to innovate, do things differently and reach out to new audiences.

Music Circle patrons will be acknowledged commensurate with this special place they occupy. In addition to recognition in season brochures, the annual report and on the website, there will be opportunities to become deeply involved in the excitement and energy of the Centre's program and access special partnerships with overseas venues like Carnegie and Wigmore Halls.

Music Circle patrons making annual gifts of \$4000 or more may choose to direct their support to specific projects under the umbrella of the Elisabeth Murdoch Creative Development Fund such as young and emerging artist recitals, recordings, music commissions, competitions, workshops and master classes. Donors at these levels with an interest in a three year commitment may wish to consider a named sub fund linked to their selected project.

Join us in building a lasting legacy of quality music for Victoria.

Please consider a fully tax deductible annual gift at one of the following levels:
